Radio On: A Listener's Diary | IndieBound.org

Radio On: A Listener's Diary, is a time capsule from 1995 that is more or less political and slightly musical. I adore Sarah Vowell and respect that her first novel is being written when in her mid twenties and just out of school. Had I dared to be that focused at that age, it might have lead me to...more

Radio Diaries on Apple Podcasts

As listeners, we allow the radio's emanations to enter our consciousness, or not. The medium affects us, whether we know it or not. In this year-long radio journal, written by a authority on audio art and self-proclaimed Generation Xer, the radio, America's voice, is totally explored.

Radio Diary by Sarah Vowell (1996, Hardcover) for sale ...

Data collected by people-meters is available on the morning after programs have aired. However, data collected by diary methods requires much more time to collate and analyse. Radio surveys, for example, which are still used for radio ratings in many countries, are normally only available on a quarterly basis.
